EDUCATION

B.F.A. Graphic Design
Eastern Michigan University
2005

WORK EXPERIENCE

freelance designer 2005—present

As a freelancer I have had the opportunity to work for a varied clientele, on an equally varied range of projects. I have produced logos, collateral material, posters and event promotions, for non-profit youth organizations, a retail clothing boutique, a real estate company, and logistics software firm.

amcor rigid plastics July 2009-present

Manchester, Mi.

Designed print and presentation materials for one of the world's largest packaging companies. Worked on creative strategy for brands in food and beverage markets.

hayden-mcneil publishing June 2009

Plymouth, Mi.

As a seasonal production assistant my responsibilities included making typesetting revisions, organizing and sizing digital images, and choosing appropriate photographs for chapter openers.

intersect digital Oct. 2008—Feb. 2009

Ann Arbor, Mi.

Worked as a production manager/designer migrating content to the 2009 model year *fordvehicles.com*. Responsible for locating and tracking digital assets, sizing, optimizing, organization, and entry of file names into excel spreadsheets.

jon wilson builders inc. 2001—2008

Ann Arbor, Mi.

Worked on all aspects of new construction and remodeling, including interior design, design and construction of custom furniture and cabinetry, and design of marketing materials.

SKILLS

Adobe InDesign, Illustrator and Photoshop. MS Office, Screen Printing, Product Photography, Mac and Windows.
